An all-new Nancy Drew mystery, in graphic novel format, for readers 8 to 12.

Growing Up Without a Place to Call Home... Mattie has never known what it means to have a safe and loving family. She's had to rely on herself from an early age, as she and her siblings grew up with an alcoholic father and stepfather who were verbally and physically abusive, as well as neglectful. Finally, when Mattie is fourteen, the cycle of hurt and abandonment at the hands of her biological family comes to an end...only to throw her into a sea of new challenges as she experiences the wild ride of the foster system. Through four years and five foster homes that push her to the limit, Mattie develops inner strength that startles even the girl gang at her new school, when Mattie attracts the interest of a handsome boy who has already been claimed by the school bully. But Mattie doesn't give up easily-she can't afford to, moving around as much as she does. She goes through experiences unimaginable to most of us, including a nightmarish foster mother with a subservient

husband and a mentally ill son; a cold and unloving home where she is valued only for the state-mandated money she brings to the foster family; and a bizarre but oddly endearing woman who treats Mattie as if she is a small child...and who has a secret hidden behind "the forbidden green door." Finally, Mattie is placed with a warm and loving family who nurture and cherish her, and allow her to blossom emotionally. But will she be ready to face life on her own when she turns 18 and has to leave them? And will she be able to embark on a journey of forgiveness and reconciliation with her family of origin? Vivid, realistic, compassionate, and compelling, Mattie Celi is the haunting and inspiring odyssey of a young woman determined to flourish despite the odds against her.

The 1864 Sand Creek Massacre is one of the most disturbing and controversial events in American history. While its historical significance is undisputed, the exact location of the massacre has been less clear. Because the site is sacred ground for Cheyenne and Arapaho Indians, the question of its location is more than academic; it is intensely personal and spiritual. In 1998 the National Park

Service, under congressional direction, began a research program to verify the location of the Sand Creek site. The team consisted of tribal members, Park Service staff and volunteers, and local landowners. In *Finding Sand Creek*, the project's leading historian, Jerome A. Greene, and its leading archeologist, Douglas D. Scott, tell the story of how this dedicated group of people used a variety of methods to pinpoint the site. Drawing on oral histories, written records, and archeological fieldwork, Greene and Scott present a wealth of evidence to verify their conclusions. Greene and Scott's team study led to legislation in the year 2000 that established the Sand Creek Massacre National Historic Site.
