INTRODUCTION:

Construction
Claim can be
defined as a
request by
either party to
the contract,
usually the

Bookmark File PDF Building

Contractor, for compensation for damages caused by failure of the other party to fulfil his part of obligations as specified in the contract.

Types and Causes of Construction Claims

Bookmark File PDF Building

Construction claims are found in almost every construction project. They are the seeking of consideration or change by one of the parties involved in the construction process. They have significant effect to
