Acknowledged as one of the best introductions to the history of crime in the eighteenth and nineteenth centuries, *Crime and Society in England 1750-1900* examines the developments in policing, the courts, and the penal system as England became increasingly industrialised and urbanised. The book challenges the old but still influential idea that crime can be attributed to the behaviour of a criminal class and that changes in the criminal justice system were principally the work of far-sighted ...

Crime and Society in Twentieth-Century England traces the broad pattern of criminal offending over a hundred year period that experienced unprecedented levels of upheaval and change. This period included two world wars, the end of the British Empire, significant shifts in both gender relations and ethnic mix and a decline in the power of the economy.
