Though the Jesus story gives us every reason to believe it is substantially rooted in history, it has a curious, and fascinating, relationship with myth and legend. The story of God coming to earth, being born of a virgin, manifesting a heroic, counter-cultural love toward outcasts, dying for the people who crucified him and then rising from the dead has a familiar “echo” to it.

Isaac, and Jacob; and the clues found beneath the sands of the Middle East. He also looks at the followers of Jesus, to find out who they were and what role they played in the beginning of Christianity. Many experts and theologians are quoted, such as Dr. Juris Zarins, who shows through satellite imagery of Iraq, Iran, and Syria, the existence of fossilized rivers pinpointing the possible existence of Eden. Also quoted is Henry Rawlinson, who discovered the Behistune inscription that provided a tool to read another version of creation from a civilization 800 miles from where the Old Testament version of Genesis was written. Furthermore, archaeological evidence will be presented to validate such events as the Exodus, the Kings of Israel, and the invasions from Babylon and Persia. Understanding Jesus was to know who he was and what was his mission.

The story of Jesus Christ goes much deeper than His crucifixion and resurrection. Few will dispute that a man named Jesus Christ lived 2,000 years ago and that He was a great teacher who impacted the world. Christ made a controversial claim—that He was the very Son of God, the long-prophesied Messiah—causing religious authorities in Jerusalem to reject Him, hate Him and eventually succeeded in having Him put to death. Likewise, the local Roman civil authorities also saw Him as a threat and became complicit in His execution. The

emerge from the spiritual turmoil of the sixties and seventies. Some say The Family International—previously known as the Children of God—began with the best intentions. But their sexual and spiritual excesses soon forced them to go underground and follow a dark and dangerous path. Their charismatic leader, David "Moses" Berg, preached a radical critique of the piety and hypocrisy of mainstream Christianity. But Berg's message quickly devolved into its own web of lies. He lusted for power and unlimited access to female members of his flock—including young girls and teenagers—and became a drunken tyrant, setting up re-indoctrination camps around the world for rebellious teenagers under his control. Thousands of children raised in The Family would defect and try to live normal lives, but the prophet's heir apparent, Ricky "Davidito" Rodriguez, was unable to either bear the excesses of the cult or fit into normal society. Sexually and emotionally abused as a child, Ricky left the fold and began a crusade to destroy the only family he ever knew, including a plot to kill his own mother. Veteran journalist Don Lattin has written a powerful, engrossing book about this uniquely American tragedy. *Jesus Freaks* is a cautionary tale for those who fail to question the prophecies and proclamations of anyone who claims to speak for God.

Lydia was seated on her bed reading her Bible on an ordinary August morning, oblivious of what she was about to hear and what would become her life from that day forward. Her son and nephew rushed into her bedroom. Her son was shouting, "Mum, there were two angels at the gate at night!" Her son was six years old at the time. He held her face and said, "I know the names of the two angels. They are called Angel Gabriel and Angel Michael." The two boys went on to say that Angel Michael was at the right side of the gate and was holding his sword facing upwards, while Angel Gabriel was on the left side of the gate and had his sword pointing downwards.
