The ambiguous state of our legal structure and its formats leave the common man with no grasp of the basics of the system in which he lives. Treatises and documents are boundless, but yet so vague and so verbose, that one has neither the time to read it nor to even glance it. Over the years it is greatly felt that a standing reference material which can help abank worker to be aware of this rights as bank employee is necessary. Hence this effort on the part of mine to give you a summary of your rights as a bank employee edited from the available sources. This document is exhaustive and gives the most correct picture of our rights.. This book is for all. The objectives of this book are to enable activists to understand important concepts in domestic enquiries, with practical illustrations and to get insightful understanding of changing environment of service conditions followed in banks and other sectors. It is hoped that books will be useful and will be a tool for effective defence assistant in days to come. Every line present day's employees in banks are now referring as a service condition and benefits has got an historical struggle and historical negotiation. Remember, the task of the union to shape your life, career and future was never an easy way or path. These benefits are hard earned rights in tough times. Now you hold the responsibility to preserve, protect, and improve them. Let thousand hands join and build our movement strong. Success is not a destination but it is a journey.
