Where To Download The Ethical Carnivore

The Ethical Carnivore addresses this universal question, through an emotional personal quest. Taking the current fashion for "ethical meat" to its logical conclusion, Louise vows to eat only animals she has killed herself for a year. Starting small, Louise shoots and traps game such as hare and squirrels, and learns how to skin and cook them.

Ethical Eaters is a movement and awareness campaign dedicated to spreading information and awareness about how to promote animal wellbeing. Our GOAL We believe that the ‘all-or-nothing’ approach of many animal rights advocates and environmental activists has led to many people giving up entirely on adjusting their behavior to limit animal suffering.
